

**Dear Annuitants,**

**As we enter the season of giving, we have the chance to double our donations to help even more students who are desperate and are seeking Emergency Funding. This fund provides immediate financial support when urgent and emergency situations put students' continued education at risk. This match is made possible by the generosity of an annuitant donor. Giving is easy, please go to: <https://foundation.cod.edu/annuitants-student-emergency-match-support/> to find out more about what the fund supports or call Ellen Farrow at 630-942-4476.**

**Look forward to seeing many of you at our Annuitant Luncheon at COD on Nov 16. Until then, stay warm and be safe.**

**Thank you**
